2. I agree to communicate observations, logs, and the results of monitoring to ROCIS on a weekly basis so that the lessons gained can be shared.
3. I understand that ROCIS will only use the data gathered in a form that does not reveal my physical address or identity, unless I give them permission beforehand.
4. On _____, I will return the above equipment, including any cables, software disks, boxes etc., to Linda Wigington or to an agreed upon location. This loan may be extended with the approval of Linda Wigington or Don Fugler if additional interventions are being tested that warrant continued monitoring.
5. Despite good intentions, stuff happens. If I have any problem specifically due to a manufacturing defect (e.g. electrical shock, fire, battery leakage), I will seek compensation from the manufacturer only, and not ROCIS and or others involved in this project.
